Project Mustard Seed – January 2019

Well done everyone. These are fantastic results. As mentioned, the arrests are high as John Dennis (SV3) revisited many cases where suspects were outstanding and have now been chased down and arrested.

Team, our work with SAPS, The Hawks, Crime Intelligence, private partnership resources, all ERPC Collaboration Network members and technology support... the results speak for themselves and we all know that "Together, SA CAN".

Total Arrests : 175

Victims : 208
Victims Alive : 129
